

If you are a race team based outside of Europe and you want to enter in the Michelin 992 Endurance Cup: we can arrange the transportation for you. Together with our reliable Logistics Partners, we have a broad knowledge of sea, truck and air freight. We can offer you a variety of logistics options:

Sea freight of your container to the circuit and back

All your customs formalities and papers taken care of

Trucking options from your workshop to the port and back

Transport insurance for your car and equipment

SEA FREIGHT TRANSPORT

ALL-INCLUSIVE Transport price € 6.500

- ✓ Including customs country of origin
- ✓ Including a 40ft Exclusive container
- ✓ Including trucking from the port to the circuit
- ✓ Including custom clearance in Europe
- ✓ Including sea freight back to country of origin
- ✗ ATA Carnet to be supplied by team

TRUCKING & LOADING

Terminal delivery

You can arrange your own container delivery to the port.

■ **Price:** FREE

Trucking to your workshop and vice versa

We will bring a container to your workshop which can be grounded using a side loader, if necessary.

■ **Price:** on request

AIR FREIGHT TRANSPORT

Sending your car and/or equipment by air freight is possible and can be arranged by Creventic. Prices can be requested by sending an email to transport@creventic.com

TRANSPORT INSURANCE

Creventic can arrange transport insurance for your car and/or equipment. The insurance fee is calculated as 0.6% of the value of the car and/or equipment + 130 EUR administration costs

SHIPPING TIMES

Eastcoast USA: 20 days

Asia: 25-30 days

SHIPPING ORDER FORM

To have your transport arranged by Creventic, we require you to fill out the online shipping form. In this form you will need to fill out your information and transport requirements.
