CREVENTIC Application

The [CREVENTIC app](#) is an essential tool for teams throughout the event. It allows you to manage team members and guests, arrange catering, complete mandatory event requirements, and stay up to date with everything happening on-site.

To log in, simply use the email address registered in our system. Teams are responsible for ensuring that the correct email addresses are submitted before the event.

For a complete overview of all features and instructions on how to use the app, please refer to the [CREVENTIC App Guide](#).

Track Day Sessions

On Wednesday 2 September (8 hours) and Thursday 3 September (4,5 hours), teams have the possibility to book CR Track Days Sessions. The applicable prices can be found in the cost overview. To book on or both track day sessions, please send an e-mail to 992-endurance-cup@creventic.com

Please note that a maximum noise limit of 103 dB applies on both days. All participating cars must comply with these regulations. A mandatory noise check will be carried out before entering the track. During the track day, noise levels will continue to be monitored for each car individually, and a black flag procedure will be enforced for any car exceeding the limit. No exceptions to the noise regulations will be made.

Support Series during the Event

Prototype Cup Europe and Caterham Spirit will be the support series.

Payment Deadline

Payment and order deadline is set on: **25 August 2026**

Payments made on the circuit with credit card will incur a 3% surcharge on the outstanding amount. Without payment there is no guarantee for reservations or options such as pit box, onboard etc.

PIT BOX & PADDOCK INFORMATION

Paddock & Pit Box Allocation

Will be announced closer to the event in the Creventic App.

Pit Box Preference

If you have a location preference for your pit box or a preference to share your pit box with a specific team, please send this to freij@creventic.com. **Deadline: 21 August 2026**

Note: All pit box requests are based on availability and first come, first served.

Paddock Order Form

It is **mandatory** to fill in the [paddock order form](#). **Deadline: 21 August 2026**

Motorhome Order Form

All teams can request space for a motorhome on the paddock via the [motorhome order form](#). **Deadline: 21 August 2026**

Access to Pit Box/Paddock

On Tuesday 20:00, the first teams will be able to enter the paddock and their pit box. The F1 paddock in Spa is smaller than other paddocks in Europe and therefore teams will enter the paddock one by one with their truck. We cannot guarantee that all teams have placed their truck at 20:00, this all will be guided by the Creventic staff.

Pit Box Key Pick Up

Can be picked up at the [Paddock Office, 1st floor Endurance Building](#). Deposit: €250.

Parking Truck Arrival

Trucks can be parked at the parking karting (entrance Blanchimont) depending on the arrival day and time. **Note that all teams arriving Tuesday need to be present at paddock orange on Tuesday 1 September 19:00.**

Clearance of Pit Box/Paddock

All teams must leave the pit box and the paddock at 02:00 AM on Sunday 6 September. Pit box key can be returned during the day on Saturday 5 September

Parking Trucks Departure

On Sunday night, teams can park their truck at the kart circuit until Monday morning. You are allowed to sleep in the truck. No truck can stay at the F1 paddock on Sunday night.

Location Michelin

Please note that the Tyre Service from Michelin will be on Paddock Blue. Make sure to have a buggy, quad, or anything similar to get the tyres from the Paddock Blue to your pit box. It is not allowed to use the elevator for transporting tyres.

REFUELLING INFORMATION

Fuel Ordering

Creventic will order 1500 litres of fuel for each team, every litre that has not been used will be credited to the team after the event. Each team will have to make use of 60-liter drums, teams **must** bring the drums themselves to the circuit.

Refuelling

The refuelling during the event will be done via fuel rigs. This will be done in front of the pit boxes in the F1 pitlane. The fuel rig for the event will need to be according to FIA App. J. Art. 257A. Teams that do not have a fuel rig can order them via Creventic. Please [click here](#) for the full refuelling procedure.

Drums in the Pit Box

The maximum allowed litres of fuel in the pit boxes is 240 liter per car.

Fuel Tags

All teams will need to pick up a fuel tag at the Welcome Center to be able to refuel your drums at the refuelling area. **The deposit for this tag is €50.** The return of the tag can be done after the last time you will refuel your drums at the refuelling area to the official at the area.

Location Fuel Station

Please note that the Fuel Service will be on Paddock Orange. Make sure to have a buggy, quad, or anything similar to get the fuel drums from the Paddock Orange to your pit box. It is not allowed to use the elevator for transporting fuel.

Fuel Transportation

All teams must respect the paddock fuel transportation rules from Spa-Francorchamps, you can find the details [here](#).
